Merits

- **Hallyu Generation, Hallyu Generation 2.0** 2012, 2014
<https://www.facebook.com/events/420316361431762>

Conceptualized and organized K-Pop and K-Culture cultural events held at Arena 305 in Malmö, Sweden. The smaller event in 2012 had around 100 visitors while the bigger event in 2014 hit the venue max capacity of over 300 visitors. Both events were very well received.
